

Dear Customer,

Let the Lightning In-Store Kiosk light up your Store

The **Lightning In-Store Kiosk** was developed by Computer Perfect using its cutting-edge POS Retail Technology platform. [Click here to view a short video.](#)

Provides your customers several Self-Service opportunities

The Lightning In-Store Kiosk enhances your customers shopping experience by giving them the power to quickly perform:

- Inventory look-up.
- Customer Purchase history
- Price checks
- Gift card balance checks
- Loyalty status
- Food pairing suggestions and more (applicable to Wine & Spirit retailers).

Provides your store additional interaction opportunities

Apart from adding a classy, modern look to your store, it utilizes your store's data in real-time to provide an interactive collaboration between you and your customer. It's an opportunity to educate, inform, inspire and promote your business, sign-up new customers, and to highlight and promote specific products or new arrivals.

Costs

Ordering the **Lightning In-Store Kiosk** involves a one-time investment of \$2995, if you are already subscribing to Lightning Online POS.

In addition, there is a monthly fee of \$4.49 per Kiosk, to cover our cost of monitoring the performance.
