

WIPEOUT

Hello,

How to wipe out credit card fees

Lightning has built in features that provide two methods by which you can recoup credit card fees - Cash Discounting & Convenience Fees.

Your credit card fees can be virtually eliminated by passing your costs along to the consumer. You may have seen this at many businesses such as restaurants, retailers, doctors and others.

[Click on this link to review the steps](#)

Once you have reviewed the steps we recommend that you contact our office to help you start the process of setting up your account with these enhanced features.
